

## New Light (Paperback)

By Samanandha

Partridge India, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. New Light takes a look at the atheistic philosophies of 'big bang' and 'evolution' without being intimidated by the hostile pressure built by media, celebrities, scientists and intelligentsia. All of us have gone to schools and colleges but can we recollect what the books had to say about the following topics: - the 'big bang' threw out 'matter' but where did that 'matter' originally come from? how did the Laws of Physics and Chemistry get created? how did the stellar bodies build themselves when all around us we only see existing things breaking down? how did the first ever 'plant cell' find food and how exactly did it reproduce itself? why don't we see spontaneous generation of life happening anywhere in the world? how did butterflies design their beautiful and symmetrical patterns? which part of the body did animals use to 'think' before they created a 'brain' for themselves? why do we have zero knowledge about our bodies and have to go to schools and colleges to find out the same, when actually, we should know all these things by heart since we have evolved i.e. created...
