### ***Reviews***

*It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
*(Tierra Kunde)*

**KILL THE MESSENGER (PAPERBACK)**

Bantam Doubleday Dell Publishing Group Inc, United States, 2006. Paperback. Condition: New. Bantam mass market domestic ed. Language: English. Brand new Book. With this new thriller, The New York Times bestselling author Tami Hoag delivers her own message to suspense fans everywhere: Don't turn off the lights, and keep reading if you dare. From the gritty streets of Los Angeles to its most protected enclaves of prestige and power to the ruthless glamour of Hollywood, a killer stalks his prey. A killer so merciless no one in his way is safe--not even the innocent. At the end of a long day battling street traffic, bike messenger Jace Damon has one last drop to make. But en route to delivering a package for one of L.A.'s sleaziest defense attorneys, he's nearly run down by a car, chased through back alleys, and shot at. Only the instincts acquired while growing up on the streets of L.A. allow him to escape with his life--and with the package someone wants badly enough to kill for. Jace returns to Lenny Lowell's office only to find the cops there, the lawyer dead, and Jace himself considered the prime suspect in the savage murder. Suddenly he's on the run from both the cops and a killer, and the key to saving himself and his ten-year-old brother is the envelope he still has--which holds a message no one wants delivered: the truth. In a city fueled by money, celebrity, and sensationalism, the murder of a bottom-feeding mouthpiece like Lenny Lowell won't make the headlines. So when detectives from the LAPD's elite robbery/homicide division show up, homicide detective Kev Parker wants to know why. Parker is on the downhill slide of a once-promising career, and he doesn't want to be reminded that he used to be one of the...
